A VOGEL-PETERSON PRODUCT

T.M.

Valet II line

Coat racks styled, designed and finished to meet the demands of discriminating users, and interior designers.

Not only beautifully styled, Valet II racks are engineered to withstand hard rugged usage—carry big capacity of wraps and gear with space for shoes, boots and umbrellas too.

These new exciting Valet II racks are complete with single and double-face floor models, plus wall mounts and add-on sections for longer lengths. From this line you can choose from a small two foot section to a large capacity coatroom—and a choice of either garment hangers or nylon double capacity hooks or both.

Valet II was designed with the thought of having a rack to fill the wraps need in every area—Institutional—Hotel—Restaurant—Salons—Offices—Churches, or wherever people gather.

A choice of four new colors

COLONIAL BLUE

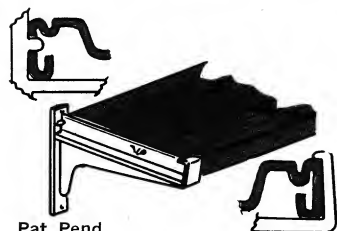

FAWN BEIGE

FOREST GREEN

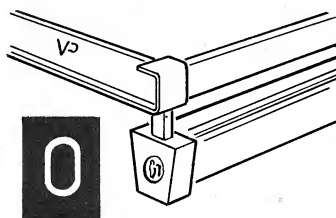

CHARCOAL GREY

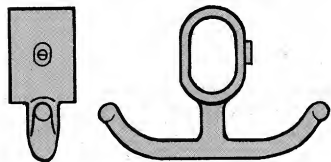

Pat. Pend.

Cast aluminum brackets in a distinctive new design receive and hold shelves in a unique way, without fasteners. The shelf cannot be pulled or jarred from the bracket unintentionally. Shelves are strong 21 ga., one-piece perforated and embossed design.

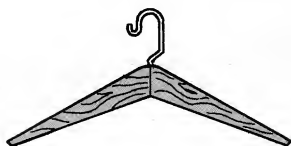

A bright chrome plated oval tube $\frac{3}{4}$ " x $1\frac{3}{8}$ ", firmly supported by our new cast aluminum bracket and arm, hold the modern VP2 Garment hangers or OVS-nylon double prong hooks.

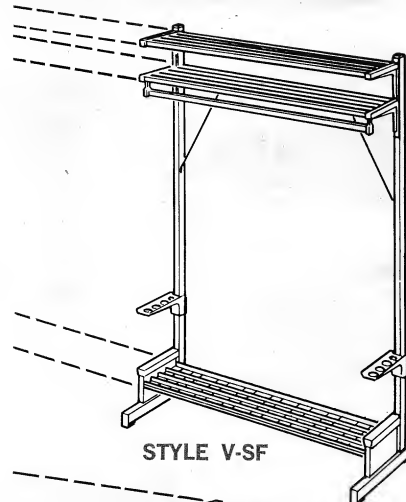

Hook-style OVS—Indestructible nylon hook—color grey. These large strong coat hooks double the coat capacity. Come 4 per foot (8 capacity) on V-SF and V-WM racks and 8 per foot (16 capacity) on V-DF racks. Furnished only if specified.

Manufactured only by

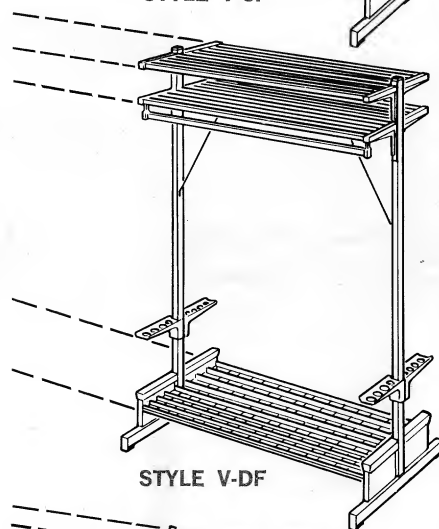

VP2—The new Vogel-Peterson hanger, modern in design, these varnished hardwood hangers hold coats in shape. 4 per foot V-SF and V-WM models, 8 per foot V-DF models.

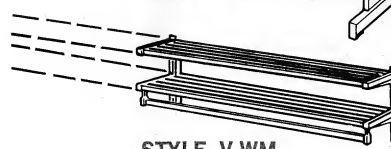

Unless otherwise specified, VP2 garment hangers are furnished with Valet II racks.

STYLE V-SF

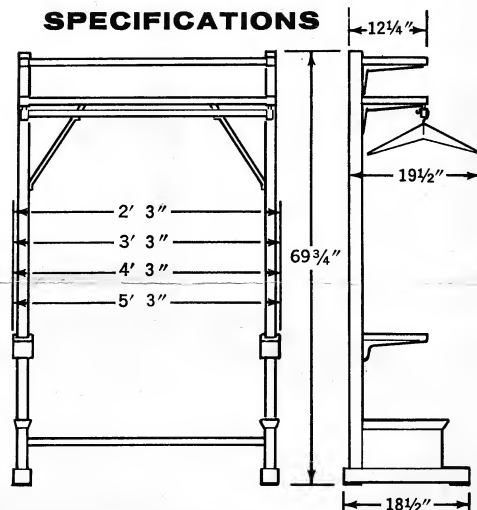

STYLE V-DF

STYLE V-WM

SPECIFICATIONS

Base width on double face units $26\frac{1}{8}$ ". Available with casters only if so specified at slight additional cost. Rectangular 16 gauge uprights $1\frac{1}{8}$ " x $1\frac{3}{4}$ " support modern base sections and cast shelf arms. Heavy cast aluminum umbrella holders and molded drip trays in black finish form a striking accent to Decorator colors.

The OFFICE VALET®

DESIGNER SERIES

MODEL WA 500

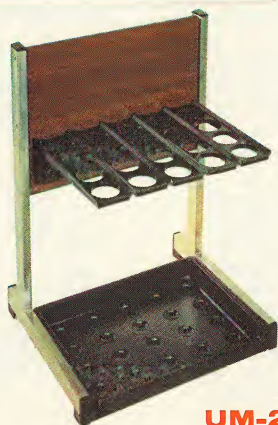

The new beautiful cantilevered semi-concealed wardrobe screens wearing apparel, brief cases, packages, etc. Serves an assemblage of 4 to 6 persons.

A 30" x 72" oiled finished walnut panel held securely 6 to 8" off the floor supported rigidly by cast aluminum brackets and "Closet-Trak" hanger support. This handsome wardrobe comes complete with four solid walnut WAV17X hangers, walnut accented over brushed aluminum cast brackets and solid walnut oil finished shelf rods. Hangers have T top wires that fit molded nylon receptacles. Hats are held separated by chrome plated elongated steel hat holders attached to "Closet-Trak." Note easy access to hangers and the clear uncluttered wall surface free of unnecessary tubes, brackets and fittings. These units extend only 12" from wall and are ideal for replacing outmoded closets.

MODEL WA 600

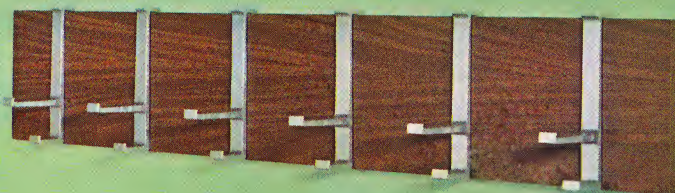

Appearance-wise and functionally the same as WA 500 wardrobe, but differs in that the weight is carried through to the floor and no more than 2 screw connections to the wall are necessary. Cast aluminum brackets in black finish with walnut inlays and WAV17X walnut hangers complement the fine oil finished 30" x 72" walnut panel. Perforated black enameled steel shelves are used in this model for hats and gear. Garment hangers with T top wires are suspended from nylon receptacles that can be moved freely in "Closet-Trak." This is truly a quality wardrobe that will beautify any room. This style is the choice of users who find it necessary due to wall conditions to rest weight on floor and who want a fixture easily relocated.

UM-20 UMBRELLA STAND

Smartly designed quality-made stands for 16, 20 or 40 umbrellas. Brushed chrome standards — Fibresin walnut panel — cast aluminum umbrella receptacles and a water-tight plastic drip tray all fashioned into an attractive piece of furniture. The measurements are height 23"—widths: UM16—14", UM20—17", UM40 (back to back style)—17". Depths: UM16—13", UM20—13", UM40—22 1/4".

HOOK PANELS AND WALL COSTUMERS

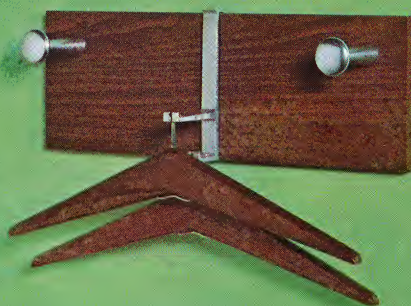

HOOK PANEL RACK-P-A26

A modern hook design mounting that can be used with most interior decors. These silver anodized hooks are mounted by means of concealed screws on 6" wide walnut panels. Come assembled in three standard panels. 12" with 3 hooks—18" with 4 hooks and 34" with 6 hooks. Individual hooks (model A26) can be supplied separately.

WT125-WALL COSTUMER

For the executive suite — for the reception area or where there is a need to care for 2 coats and hats this new concept of wall costumers is the answer. Two beautifully designed silver anodized cast aluminum knobs hold the hats. For the coats two modern genuine walnut garment hangers with "T" top wires that can only be used in the grooved 2-prong silver anodized center hook. Coats are held spaced apart. The rack comes fully assembled on a 6" x 18" walnut panel with mounting holes and screws. Pressure sensitive tape mounting available upon request. An appreciated gift for office or home.

The OFFICE VALET®

DESIGNER SERIES

MODEL OV 1000

The ultimate in coat rack design quality workmanship and materials. It is our answer to your challenge asking Vogel-Peterson to continue to furnish the best.

Series OV 1000 is made to meet a demand for quality and design that complements today's beautiful interiors. Brushed chrome $1\frac{1}{8}$ " x $1\frac{1}{4}$ " 16 gauge steel standards and hanger rail. Walnut inlays over black sculptured cast aluminum shelf brackets and modern base sections—clean line, ribbed and perforated heavy gauge black enameled shelves—sculptured umbrella holders with molded drip trays—3 solid walnut garment hangers per foot—trim molded floor glides all blend together gracefully to make this beautiful Office Valet.

Available in lengths of 3' $2\frac{1}{2}$ " through 5' $2\frac{1}{8}$ " by the foot. Also add-on lengths of 3'-4' and 5'. The height is 6' 4", the depth at base 18 $\frac{1}{2}$ ".

The plated hanger rail can be reversed where added capacity, with the use of "T" top hangers and receptacles, is desired.

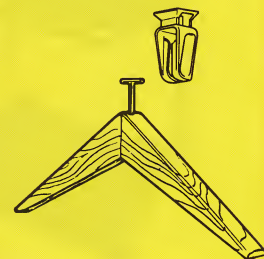

Model V-6

Model C-4

Contemporary styling for today's interiors with emphasis on quality. The weighted straight line designed base has generous molded nylon trim and glide at ends of each rectangular leg. Base spread 21".

Genuine walnut veneer over steel with genuine walnut hangers and brushed chrome steel hooks place these costumers in the high quality bracket. Also available in enameled base and standard colors; Gray—Mist Green or Desert Tan as well as all brushed chrome models.

Model V-6, a personalized wardrobe stand serves an assemblage of 6 on beautifully finished solid walnut hangers under 6 brushed chrome plated hat holders. Molded nylon receptacles support the T top hangers that can only be used on these racks and will not be carried away.
